The Jack o' Nine Tails is an invention created by Fenton Works. It is first seen in "Maternal Instinct." Jack uses it to protect Jazz from the animal ghosts that attack Fenton Works. Jack used this in The Million Dollar Ghost to get rid of the Vulture Ghosts. In "Memory Blank" Sam uses it to defeat Nightmerica when she attacks Paulina at the Nasty Burger. In "Boxed Up Fury" Maddie uses it to attack the hydra. Books. Cartoons. Comics. Prologue: Do fairies have tails? Summary: "To spare the sands, the seas, the skies: I offer thee this silent sacrifice," Harry whispered. "I'm still waiting, Mavis! I'm still waiting for the courage to face my demons. I'll wait as long as I have to; I do have an eternity's worth of time, after all. I'll do as you asked and look after our guild." "Surely you of all people would know if fairies have tails." Harry said while gesturing towards her dress. "Of course, if you want an answer, we could just check!" he jokingly attempted to take a peek. Mavis slapped him on the head and huffed in embarrassment, to Harry's amusement. "Well, trust Luna's descendant to come up with a name like Fairy Tail. I'm not surprised to know that she had Fae blood hidden in her."
