We light a candle for many purposes: to illuminate darkness, dedicate prayers, solidify intentions, offer blessings, evoke Spirit, and/or to nourish grateful living. Throughout the world, lighting candles is a sacred ritual. We light a candle for many purposes: to illuminate darkness, dedicate prayers, solidify intentions, offer blessings, evoke Spirit, and/or to nourish grateful living. 21,955,278 candles have been lit from 194 countries, including 0 candles in the last two days. We welcome you to the practice of lighting a candle; connecting you to inner stillness and to a global community. Feel this connectedness. We are delighted to announce the release of Kristi Nelson's book Wake Up Grateful. LEARN MORE. Temporary Outage. Automatic On/Off : Light sensing technology allows the night light to turn on at dusk and off at dawn automatically providing light only when needed. LED Light Long life, cool to the touch, and energy efficient LED means no bulbs to replace; provides 2200K warm white light. Cover Unsightly Outlets : Unique design allows the night light to be positioned to cover the entire outlet, or leave on outlet free for use.
