

# The Scientific Basis for Estimating Air Emissions from Animal Feeding Operations: Interim Report National Research Council, Division on Earth and Life Studies, Board on Environmental Studies and Toxicology, Board on Agriculture and Natural Resources, Committee on Animal Nutrition, Ad Hoc Committee on Air Emissions from Animal Feeding Operations National Academies Press, 2002 9780309084611 2002 122 pages

PREPUBLICATION COPY. Final Report. Air Emissions from Animal Feeding Operations: Current Knowledge, Future Needs. This prepublication version of Air Emissions from Animal Feeding Operations: Current Knowledge, Future Needs has been provided to the public to facilitate timely access to the committee's findings. Although the substance of the report is final, minor editorial changes may be made throughout the text and citations will be checked prior to publication. The sixteen-person committee that produced this report and an earlier interim report worked hard and well. We review and evaluate the scientific basis for estimating the emissions to the atmosphere of various specified substances from confined livestock and poultry operations Basis for Estimating Emissions from Animal Feeding Operations - Int Scientific Basis for Estimating Emissions from Animal Feeding Operations. 86 Pages 2002 1.03 MB 0 Downloads. for Estimating Emissions from Animal Feeding Operations Scientific ... The interim report is intended to provide the committee's findings to date on assessment of the scientific issues involved in estimating air emissions from individual animal feeding operations (swine, beef, dairy, and poultry) as related to current animal production systems and practices in the United States. The committee's final report will include an additional assessment within eight broad categories: industry size and structure, emission measurement methodology, mitigation technology and best management plans, short- and long-term research priorities, alternative approaches for estimating...
