Understanding Criminal Law clarifies a subject which students often find somewhat difficult and confusing. This difficulty stems partly from the rapid changes which criminal law undergoes, through frequent statutory amendments and judicial decisions, but more importantly from the sheer complexity of the subject matter. This book provides a clear and concise text for those studying traditional black-letter substantive criminal law. The author takes a logical and straightforward approach. This entry about Understanding criminal law has been published under the terms of the Creative Commons Attribution 3.0 (CC BY 3.0) licence, which permits unrestricted use. Please note this CC BY licence applies to some textual content of Understanding criminal law, and that some images and other textual or non-textual elements may be covered by special copyright arrangements. Any theory of criminal law must explain why criminal law is distinctive—why it is a body of law worthy of separate attention. This entry begins by identifying features of criminal law—falls within those limits (¶5). And we must ask which rules of procedure and evidence should govern efforts to establish criminal responsibility (¶6). The focus of this entry is Anglo-American criminal law and scholarship thereon. Many of the questions raised, and many of the answers considered, are nonetheless of general application. Understanding criminal statutes and how to break them down into their elements is crucial. Learn about this and more at FindLaw's Criminal Law Basics section. Created by FindLaw's team of legal writers and editors | Last updated February 12, 2019. When faced with a criminal charge, it always helps to do your own research and get some clarity about the statute under which you've been charged. Understanding criminal statutes is not just for legal professionals, since they directly affect those who are charged. Best criminal law supplement available. Unlike those 1000 page monstrosities you need to start reading 2 years before you even enroll in law school to use (I'm looking at you, Chemerinsky), this one breaks complicated subjects down into easy-to-understand explanations that you can read 24 hours before the exam and still find incredibly useful. Really liked understanding torts for first semester of law school and looking forward to this book helping get me through second semester criminal law.
