The history of the Jews in Italy spans more than two thousand years to the present. The Jewish presence in Italy dates to the pre-Christian Roman period and has continued, despite periods of extreme persecution and expulsions, until the present. As of 2019, the estimated core Jewish population in Italy numbers around 45,000. The Jewish community in Rome is likely one of the oldest continuous Jewish communities in the world, existing from classical times through to today. Italy. Jan Karski. Janowska. Life in the Ghettos. More information about this image. Twitter. Some individuals killed themselves to escape their hopeless lives. Every day children became orphaned, and many had to take care of even younger children. Orphans often lived on the streets, begging for bits of bread from others who had little or nothing to share. Many froze to death in the winter. In order to survive, children had to be resourceful and make themselves useful. Streetcars for the non-Jewish population of Lodz traverse the ghetto but are not permitted to stop within it. Living conditions in the ghetto are horrible. Most of the area does not have running water or a sewer system. Hard labor, overcrowding, and starvation are the dominant features of life. Jews arrived in the Republic of Rome some time in the second or first century B.C.E. They soon formed their own community which absorbed Roman cultural forms but was able to maintain its identity and integrity. For more than twenty centuries, the Italian peninsula has been home to the heirs of this ancient minority community, whose culture is a blend of traditional Jewish content with Roman, then Italian cultural forms. Gardens and Ghettos The Art of Jewish Life in Italy is the title of an exhibition curated by Vivian B. Mann and Emily Braun for The Jewish Museum, New York. The many illustrations illuminate the art and life of a minority community in dynamic tension with dominant society and show the vibrant, ongoing contribution by Jews to the arts of Italy.
