The Surrender Experiment is such a book. Inspiring, authentic, and intensely compelling." -Dean Radin, author of The Conscious Universe. "Michael Singer writes a beautiful, touching memoir on the amazing power of surrender in his life. With courage, spunk, and thoughtfulness, he has reached beyond the status quo to dare to trust life and surrender to its ultimate perfection." - Judith Orloff MD, author, The Ecstasy of Surrender. "With his hallmark precision and clarity Michael Singer reveals in his latest masterpiece, The Surrender Experiment, how everyday life, doing business in the world and surrendering our lives to him makes sense when we see him for who he is. -It's in that space between will and have that relationships are tested and faith is strengthened. -In between is both a hard space to live and a necessary part of letting go. Mixed in with these stories of personal surrender are sweet lessons she's learned from the Bible. This book is for anyone who has something to surrender to God which I think includes all of us! Read more. Many people believe they are living fully surrendered lives to God, but when the cares and worries of this world start to crowd in, they cry out in frustration and anger instead of bowing before Him and saying, "Thy will be done." Even the temptations this world has to offer can keep us from living surrendered lives. Each chapter in the study will take you through the book Come to Me, giving you the opportunity to know Jesus in an intimate setting as He interacts with His family and friends. From there, the study takes the reader through various topics such as: faith, family, trust, doubt, and even wilderness experiences. With over twenty topics of discussion, Learning from the Master: Living a Surrendered Life, is ideal for your ladies bible study group, or for private study.
