Steven Tozer and Guy Senese and Paul Violas School and Society: Historical and Contemporary Perspectives

https://www.mheducation.com/cover-images/Jpeg_400-high/0078024404.jpeg 7 October 10, 2012 9780078024405 Through the use of a consistent analytic framework, this text shows how and why certain school-society issues first arose in this country and how they have changed over time. Introduced and explained in detail in the first chapter, the text's analytic framework focuses on the political economy, the dominant ideology, and existing educational practices that are prevalent in any given histo... In its examination of the evolution of education in the United States, this book tells an engaging historical story.
