Although I certainly understand how a snowman could be too warm, I don't exactly understand how one could be too cold. . . but that's where the story begins. I'm pretty sure even the youngest would know that. The Christmas parts made more sense and the story should have developed a better vehicle for getting there than snowmen freezing. The illustrations of Christmas for the Snowmen are charming. ....more. flag Like - see review. Dec 08, 2019 Kari S rated it really liked it.
