If breakfast really is the most important meal of the day, then we're keen to make it a delicious one. By Tatler. By Tatler. Christopherâ€™s. Brunch is an American staple, so you can count on classic American restaurant Christopherâ€™s to do it right. This glamorous Covent Garden stalwart offers an extensive menu to appease all tastes and inclinations. 'Breakfasts & Brunches' is another book of cooking recipes and advice for the amateur / home cook prepared by the Culinary Institute of America (CIA). Like those before it on 'Cooking at Home', 'Book of Soups', and 'Gourmet Meals in Minutes', but unlike their more professional volumes such as 'Baking and Pastry', this volume is very good for the home cook, but it has a few lapses here and there which make it less than perfect as a manual for teaching the very best cooking technique.
