I-1c joined the History and Museums Division in 1973 and retired from the division and the Marine Corps in 1975. Lieutenant Colonel Arnold's efforts are reflected in the themes of Chapters 2 through 9, based on interviews and then-available records. Military evolutions are the product of teamwork and this book is no exception. Lieu-tenant Colonel Arnold's chapters were reviewed by Dr. Graham A. Cosmas and Lieu-tenant Colonel Lane Rogers. * Relates the stories of South Vietnamese soldiers through a compelling narrative driven by oral histories * Brings the experiences of these soldiers to life for the reader by sharing their compelling firsthand accounts * Draws on a key oral history collection newly established at the National Library of Australia in 2013-2014 * Provides fascinating insights into the soldiers' early years, their military service and experiences " Nguyen's book is a welcome and important contribution to the study of the Vietnam War, the South Vietnamese state and society, and the post-1975 Vietnamese diaspora. It is also a fine example of the use of personal testimony to explore the complex and ongoing interplay between history and memory." - Australian Historical Studies.
