In Cultural Anthropology we employ a trio of unifying themes that tie the book together to prevent students from feeling lost. 1. 2. 3. We present anthropology as a study of humankind's responses through time to the fundamental challenges of survival. Challenge Issues and Questions for Reflection Each chapter opens with a Challenge Issue and accompanying photograph, which together carry forward the book's theme of humankind's responses through time to the fundamental challenges of survival within the context of the particular chapter. And each chapter closes with Questions for Reflection relating back to the Challenge Issue presented on the chapter's opening page. 4. Becoming Human: The Origin and Diversity of Our Species. 5. Language and Communication. 6. Social Identity, Personality, and Gender. I used this book in my first Anthropology class and this book helped me get interested in the field. It provided so many great insights and information about other cultures, without being elitist. Definitely would recommend for any Cultural Anthropology class! Read more. Robert Eaton.
