

Engendering Genre: The Works of Margaret Atwood 9780776607245 University of Ottawa Press, 2009 315 pages 2009 Reingard M. Nischik

Margaret Atwood is one of Canada's best known and most prolific writers. These are the must-read works from the Canadian icon's long career. In 1972, Atwood published *Survival*, her first work of criticism. The book represents a detailed analysis of Canadian literature "its strengths and weaknesses" in an attempt to understand what made the country's writing unique. *Survival* became a bestseller and at the time was required reading for literature students across the country. Why *Survival* is a thoughtful exploration of CanLit. *The Handmaid's Tale* (1985). In 1986, Margaret Atwood discussed the international success of novel *The Handmaid's Tale* on CBC's *The National*. (McClelland & Stewart, CBC Archives). You can write a book review and share your experiences. Other readers will always be interested in your opinion of the books you've read. Whether you've loved the book or not, if you give your honest and detailed thoughts then people will find new books that are right for them. 1. Nada se acaba.
