You can write a book review and share your experiences. Other readers will always be interested in your opinion of the books you've read. Whether you've loved the book or not, if you give your honest and detailed thoughts then people will find new books that are right for them. 1. The unexpected professor: an Oxford life in books. Faber & Faber. University of Oxford, Carey, John. This book is one in a series called "The Writer and the City". I have to admit now that it is not so much about the City of Oxford as the University of Oxford. The two are anyway inseparable in my mind. My rooms looked out on to two quads, Durham and Garden, completely enclosed by the chapel, the hall and various staircases. (How easily I slip into this self-congratulatory, clubby mode.) The sun was very low and the lanterns on the walls were already yellowing the stone. This Secret Garden book. Read 12 reviews from the world's largest community for readers.
