Geoffrey Stern. Challenging many of the most deeply held assumptions about the communist world, this original, provocative and wide-ranging book brings new understanding of the international communist movement. The Rise and Decline of International Communism analyses the changing fortunes of the communist movement from the time of the Comintern to the diffuse and diverse array of socialist and workers parties of today. It argues that while the Bolshevik experiment has left an indelible imprint, still serving as a model for some and a warning to others Buy a cheap copy of The Rise and Decline of International book by Geoffrey Stern.
