Preschool themes are one of the best ways to teach children. I've used many different types of preschool curriculum throughout my 15 years of teaching, and the one that is my most tried and true is preschool themes. I especially loved to tie them into stories, since that is also one of the most powerful ways that children (and adults) learn. The beauty of using preschool themes for lesson plans, preschool curriculum, and teaching is that they can be used anyone: the veteran teacher, a parent who is homeschooling, and a teacher who is just starting. I've adapted my lesson plans to different teachers. We did themes based on the children's interests, and I brought in books to support their learning along the way. It gives you thrill reading through journey, its open up your own personal eyes about the thing in whi When I decided to really hunker down and commit to doing consistent preschool at home with my daughter, the first thing I did was to make a list of themes that we could use each week. I planned a full year, since learning (especially at the preschool level) doesn't ever really stop around here. Each of these topics is broad enough to keep you busy for a whole week, but narrow enough that you shouldn't get overwhelmed. I've added links to the weekly themes that I've featured so far, as well as other related activities, or you can visit this page to quickly see completed unit

Barbara Backer's new book, "The Weekly Curriculum" is one of the best resources for preschool and kindergarten teachers to be published in a long time. Barbara provides easy to follow lessons that can be implemented throughout the school year. One of my favorites is her "Special Days and Holidays" section. Instead of rehashing the standard holidays that have been written about over and over, Barbara introduces new days such as "National Pretzel Month" and "Mitten Tree Day", with a large variety of activities to reinforce the theme and stimulate the creative imagination of the children. Writing preschool themes and lesson plans is by far my favorite thing to do! As preschool teachers, we use traditional and not so traditional preschool themes or topics. Themes are used to develop our curriculum based on the interests of our children. We take a topic of interest and build from there! Below you will find all of my themes listed in alphabetical order. Choose one that interests your children and use my activities to begin the development of your preschool themes! These themes will get you started planning for your week. You will find age appropriate activities for your Interest L
