Don't have a Kindle? Marvels is a four-issue limited series comic book written by Kurt Busiek, painted by Alex Ross and edited by Marcus McLaurin. It was published by Marvel Comics in 1994. Set in the 1939 to 1974 time period, the series examines the Marvel Universe, the collective setting of most of Marvel's superhero series, from the perspective of an Everyman character, news photographer Phil Sheldon. The street-level series portrayed ordinary life in a world full of costumed superhumans, with each issue featuring The Marvel Vault: A Museum-in-a-Book with Rare Collectibles from the World of Marvel. 258 Pages·2007·37.4 MB·5,153 Downloads·New!
