Universal Classroom Management Strategies. 1. Demonstrate The Ideal Behavior You Want To See. Modeling ideal behavior teaches students how to act properly in a classroom environment. This can include speaking politely to others, such as other staff and students, keeping electronics out of sight during class time, and handling conflict calmly and respectfully. 2. Allow Students To Help Establish Rules. Giving one simple task at the beginning of a class draws the students attention to the teacher (or task at hand). This can be as simple as asking for everyone's eyes on me, or please take a look at the board. 20. Preparation Is Key. Teaching begins long before you step foot in the classroom.
