A plantation complex in the Southern United States is the built environment (or complex) that was common on agricultural plantations in the American South from the 17th into the 20th century. The complex included everything from the main residence down to the pens for livestock. Southern plantations were generally self-sufficient settlements that relied on the forced labor of enslaved people. You Might Like . . . Southern Plantation 2. By Carise. Watch. 0 Comments. 99 Views. Southern Plantation. Image details. Image size. Business papers, such as plantation record books, daybooks, letterbooks containing business correspondence, overseer journals, slave auction books, and plantation, bank, and medical account books and ledgers. The researcher should note that it is not unusual for material on one family to be available in different series. The project continues with companion collections: Records of Southern Plantations from Emancipation to the Great Migration (covering the period 1861–1915), and Slavery in Ante-Bellum Southern Industries (covering the period prior to 1865). Changes in This Edition In the process of compiling the first edition, I noticed that the Guides for Series A through E, the earliest in the set, provided less detailed descriptions than subsequent Guides.
