Marking Alberta's centenary in 2005, Forging Alberta's Constitutional Framework set itself the challenging task of reviewing the province's constitutional and legal history through the law, legal institutions, legal processes, and ideology that have shaped the province. The result is a collection of sixteen essays boasting a number of prominent scholars of Canadian history, law, and political science, whose contributions range from the colonial roots of law in Alberta to education rights, language rights, the Social Credit legacy, to post-Second World War constitutional tensions and battles. The University of Alberta (U of A) is a public research university located in Edmonton, Alberta, Canada. The University of Alberta (U of A) is a public research university located in Edmonton, Alberta, Canada. Founded in 1908 by Alexander Cameron Rutherford, the first premier of Alberta and Henry Marshall Tory, its first president, it is widely recognized as one of the best universities in Canada. The main campus covers 50 city blocks with over 90 buildings directly across the North Saskatchewan River from downtown Edmonton. The united nations war crimes commission. Volume VI. London published for the united nations war crimes commission by his majesty's stationery office. 194 8. In the last preceding volume of these Reports, cases were included which discussed in what circumstances the denial of a fair trial constituted a substantive war crime of which members of the enemy forces of occupation could be held to be guilty. the M.T. Judgment, and C.C. Law 10 are merely 'great new cases in the book of international law'. They constitute authoritative recognition of principles of individual penal responsibility in international affairs which, as we shall show, had been developing for many years. Report this Document.
