

Everyone's Guide to Cancer Therapy: How Cancer Is Diagnosed, Treated, and Managed Day to Day, 2008, 988 pages, Dr. Andrew Ko, Malin Dollinger, Ernest Rosenbaum, Andrews McMeel Publishing, 2008, 9780740768576

The first edition of "Everyone's Guide to Cancer Therapy" was recommended to us some ten years ago and we decided to update to the 5th Edition. This volume contains nearly 50% more information on the advances in detection, treatment and prognoses of the various types of cancer. Not being a physician, I have found that the references are easily read and understandable. It provides insight on prevention and treatment. I work as a therapist at a Cancer Center and am constantly looking through this book to ensure I am capturing a thorough understanding of my patients' diagnoses. I found it incredibly helpful, informative, and translatable to individuals with varying experience and involvement with cancer treatment. Read more. 3 people found this helpful. For the millions confronting cancer's many challenges, Everyone's Guide to Cancer Therapy: How Cancer Is Diagnosed, Treated, and Managed Day to Day relies on an esteemed panel of oncology specialists—more than 100 strong, and each experts in their fields—to completely update this definitive cancer resource. Equally informative and accessible, this comprehensive book navigates cancer patients and their caregivers through diagnosis, treatment, and supportive care. Every chapter has been methodically updated to include the latest medical breakthroughs and advice concerning cancer treatment, inclu Find many great new & used options and get the best deals for Everyone's Guide to Cancer Therapy: How Cancer Is Diagnosed, Treated, and Managed Day to Day by MD Malin Dollinger, Ernest H Rosenbaum, Andrew H Ko (Paperback / softback, 2008) at the best online prices at eBay!
