

The Single Mother's Survival Guide 9781580910637 2000 Crossing Press, 2000 Patrice Karst 130 pages

Single parents, especially single moms, certainly have their work cut out for them, and the smallest amount of help is welcome. Refer to our guide to make motherhood more easy and fulfilling for you: 1. Tweak Your Work Schedule If you work from home, you're fortunate enough to be able to spend time with your kids even as you make a living. For the rest, it is tricky, but not impossible to achieve a balance between work and family responsibilities. Start by asking your employer for a flexible schedule, where you could perhaps come in and leave sooner than the rest, or telecommute for some days Single-parent Indian families, though not the norm, are increasingly becoming more common. Irrespective of whether it's a woman who adopted a child, a wife who lost her husband after the birth of their child or sought separation from her husband, or an unmarried mother, single mothers are undoubt. Single-parent Indian families, though not the norm, are increasingly becoming more common. Irrespective of whether it's a woman who adopted a child, a wife who lost her husband after the birth of their child or sought separation from her husband, or an unmarried mother, single mothers are undoubtedly, more than capable of providing a healthy, nurturing, loving and supportive environment for her child to grow in. Single moms haven't had many books to turn to in times of distress. Most parenting guides either moralize to her or ignore her altogether. Patrice Karst has righted that wrong with The Single Mother's Survival Guide. The book is obviously designed to console--and fast--the poor mom who has once again dragged the baby into the bathroom with her because she literally cannot get a moment alone. Flip open to any page and you'll find earthy bits of inspiration, with a consistently (but not sickeningly) positive slant on childcare, dating, and other facts of single-mom life. Karst never loses her te A Mother's Day Guide (to print out and pass on). Hello Mamas! In many countries it is Mothering Sunday or Mother's Day this weekend, (including here in the UK) and so we wanted to create a mini cheat sheet of our favourites recipes and ideas to make the day extra special! We know what we would love to make an extra special day -- no READ MORE. The single mom you know is feeling isolated and alone. She is most grateful for her baby and has a difficult time seeing anything beyond that baby. Open her eyes to the good in the world. Becky is a devoted mother with a deep passion for writing. She taught fourth grade prior to fulfilling her lifelong dream of becoming a mother. Becky is now a stay at home mom. Her four year old daughter has Ehlers-Danlos Syndrome.
