Within the mystery genre, there are several types, including, but not limited to, police procedurals, detective stories, hard-boiled detective stories, espionage, medical mysteries, some thrillers, some speculative fiction, cozies, and closed-room mysteries. The book was originally serialized in Charles Dickens's magazine, All The Year Round . At the time the book was published, the genre was called a sensation novel. Mystery Book Tour Day 30 #MysteryNovember Twilight Images by Ethel Lewis. Welcome to the very last day of our Mystery Book Tour. Today's guest is Ethel Lewis and her book Twilight Images. 1) Where is your home town? Today's guest on our Mystery November Book Tour is Ray Stone and his book Isia's Secret. 1) Where is your home town? I was born in Southend-on-Sea, Essex; a seaside town on the estuary of the Thames.
