Description:

About the Author Sueellen Ross began drawing animals as soon as she could hold a pencil. She's still at it, after almost twenty years as a full-time professional artist. Especially known for her masterful and delightful cat and wildlife portraits, Sueellen combines her passion for making art with her love of animals to create works of strong design and subtle wit.

Sueellen's paintings, etchings, and other prints have been exhibited worldwide. She is a frequent contributor to the prestigious "Birds in Art" show at the Leigh Yawkey Woodson Art Museum and the "Arts for the Parks" show sponsored by the National Park Foundation in Jackson Hole, Wyoming. Her work can be seen in *The Best of Wildlife Painting* and *Painting Birds Step by Step*, both published by North Light Books. Sueellen lives with her husband in Seattle, Washington.

Colored Pencil Painting Portraits: Master a Revolutionary Method for Rendering Depth and Imitating Life. Alyona Nickelsen. 4.3 out of 5 stars 23. Paperback. £14.32 Amazon Prime. PRISMACOLOR PREMIER Pencil, Colored Pencils, Box of 132, Assorted Colours. 4.5 out of 5 stars 140. Sueellen Ross has a very unique style which combines layers of ink, watercolour and coloured crayon, and builds a realistic and dramatic finished painting. The book shows step by step, not only how to paint cats, but also other animals, plants and furnishings. I tried using her techniques for a painting of my ginger cat in the washing basket, and was very pleased with the result. However, I feel that it was not quite as easy as Ms Ross claimed, and is most definitely not for beginners! Paint Radiant Realism with Watercolor, Ink, and Colored Pencil. by Sueellen Ross. See Customer Reviews. "Paint Radiant Realism..." is one of the best art instruction books I've purchased. If you already enjoy incorporating intricate detail into your work, you will probably love it. But if you are not naturally a "detail freak", Ross's approach will probably drive you crazy. Beginners who still need step by step guidance in even the most fundamental aspects of the various media involved (pen & ink, watercolor and colored pencil) will probably not like this book. Only those who have a strong foundation in drawing, light and shade, and value contrast will be best a 3 product ratings - Paint Radiant Realism in Watercolor Ink & Colored Pencil by Sueellen Ross HC. Watercolor artists come to learn how to set their work apart from the usual wash-upon-wash approach; colored pencil and pe Everything about Sueellen Ross' work grabs your attention: from the appealing subjects (cozy interiors, beautiful flowers, cats, dogs, wildlife) to the bright, crisp colors. Her combination of drawing and painting has artists flocking to her workshops. This book does a great job of breaking down the artist's approach to realism using watercolor, ink, and colored pencil. I learned a lot of techniques that I'll be trying out in my own work, and I'm considering buying it so I can reference it more than I can with a library book. One note: this book focuses primarily on plants, interiors, and animals. It doesn't feature any portraits or humans.
