Anne of Green Gables (1908) is L.M. Montgomery's first book. It is a wonderful story. Anne finds a home at Green Gables, and her sad life begins to change. But she changes the lives of Matthew and Marilla, and many other people too. Lucy Maud Montgomery (1874-1942) was a Canadian writer. She is most famous for her children's stories. She was born on Prince Edward Island. After her mother died in 1876, she lived with her grandmother and grandfather on their farm. She liked reading and writing stories. [Comic Book Preview](#). The imaginative red-haired orphan Anne Shirley has become a teenager. She gave up a chance for college to stay with her ailing foster mother Marilla in Avonlea. The romantic Anne will be unable to resist the opportunity to do some match-making for an estranged couple. At book's end, Anne will be shocked when her best friend becomes engaged, and Anne herself will have a brief glimpse of her own future. "Anne of Avonlea" is very highly recommended as good heart-warming entertainment to fans of L.M. Montgomery's "Anne of Green Gables" series. [Read more](#). [7 people found this helpful](#).
