Amazon.com Review Man's Search for Meaning by Viktor E. Frankl is among the most influential works of psychiatric literature since Freud. The book begins with a lengthy, austere, and deeply moving personal essay about Frankl's imprisonment in Auschwitz and other concentration camps for five years, and his struggle during this time to find reasons to live.Â Beacon Press is now pleased to present a special gift edition of a work that was hailed in 1959 by Carl Rogers as "one of the outstanding contributions to psychological thought in the last fifty years." Frankl's training as a psychiatrist informed every waking moment of his ordeal and allowed him a remarkable perspective on the psychology of survival. Man's Search for Meaning is a 1946 book by Viktor Frankl chronicling his experiences as an Auschwitz concentration camp inmate during World War II, and describing his psychotherapeutic method, which involved identifying a purpose in life to feel positively about, and then immersively imagining that outcome. According to Frankl, the way a prisoner Trotz dem Ja zum Leben sagen: Ein Psychologe erlebt das Konzentrationslager = Man's Search for Meaning; an introduction to logotherapy, Viktor E. Frankl. Man's Search for Meaning is a 1946 book by Viktor Man's Search for Meaning is a 1946 book by Viktor Frankl chronicling his experiences as a prisoner in Nazi concentration camps during World War II, and describing his psychotherapeutic method, which involved identifying a purpose in life to feel positive about, and then immersively imagining that outcome. According to Frankl, the way a prisoner imagined the future affected his longevity. The book intends to answer the question "How was everyday life in a concentration camp reflected in the mind of the Viktor E. Frankl, William J. Winslade, Harold S. Kushner. A book for finding purpose and strength in times of great despair, the international best-seller is still just as relevant today as when it was first published. "This is a book I reread a lot . . . it gives me hope . . . it gives me a sense of strength." - Anderson Cooper, Anderson Cooper 360/CNN This seminal book, which has been called "one of the outstanding contributions to psychological thought" by Carl Rogers and "one of the great books of our time" by Harold Kushner, has been translated into more than fifty languages and sold ov
