Teaching As Principled Practice : Managing Complexity for Social Justice. by Tomas Galguera and David M. Donahue. See Customer Reviews. This vision is encompassed in a set of six principles underlying the authors' work with preservice teachers. Primary focus is on children and youth who have been traditionally underserved by schools. The book can be used in courses. Product Details. Format:Paperback. This book was easy to read and very thought provoking. Helps one get to the whys of education more than the hows. Would be a great book club choice so that once the thoughts are provoked conversations could take place and from there...real change. Teaching as Principled Practice provides educators with a valuable frame for rethinking and reconfirming the commitment to students and society in a world of globalization and standardization. - - Miriam Ben-Peretz. This book introduces prospective teachers to (and reminds practicing teachers about) key principles for guiding effective practice in urban settings. Through helpful vignettes and readable text, the authors clarify what these principles mean and how teachers can make these principles an embedded part of their work. - - Diane Kyle. This text provides much insight and variety of
