

# InterCourses: An Aphrodisiac Cookbook Martha Hopkins, Randall Lockridge 143 pages Terrace Pub., 1997 9780965327503 1997

The New InterCourses Cookbook: Anniversary edition of the ultimate aphrodisiac cookbook. Beyond the recipes, InterCourses is packed with aphrodisiac histories, couples' comments, elaborate appendices, and full-color photographs of aphrodisiacs set on the backdrop of the human body. Written by Martha Hopkins and Randall Lockridge. For people who like InterCourses is a fun cookbook about the link between food and sensuality that is sexy enough to make a good romantic gift but is also full of really good, practical food. I love this cookbook and although I can't say that it has done much for my love life, it has provided me with some fantastic meals. It's a beautiful book to look at, a fun book to read, and full of great things to eat. This cookbook works on two levels. On one level, it's a romantic, slightly sexy book that is PG enough that you can have it out on your shelf all the time. It has some lovely photography that is more or less s Buy a cheap copy of InterCourses: An Aphrodisiac Cookbook book by Randall Lockridge. Ever since Marc Antony first fed Cleopatra grapes, sensual foods have been intertwined with romance. InterCourses: An Aphrodisiac Cookbook follows suit, bringing Free Shipping on all orders over \$10. InterCourses: An Aphrodisiac Cookbook follows suit, bringing more than 85 heart-melting dishes to the table, the bed, or wherever one might be entertaining. The array of full-color photographs reveals a new side to seemingly normal food. Product Details. Format:Hardcover. The New InterCourses Cookbook written by Martha Hopkins and Randall Lockridge shows you how to make food that will spice up your love life and add fire to your intimate encounters. Each cookbook features over 130 recipes and showcases 17 different aphrodisiacs, from widely-known foods like oysters and honey to less well-known (but equally potent) foods like pine nuts and black beans. With over 200 full-color pages to peruse through, you're not going to want to put it down--at least not until it's time to reap the benefits of trying out these scintillating recipes.
