Deliverance ministry is a term describing a Christian organisation that attempts to cure people's ills by casting out demons, making it very similar to faith healing. The bible of the deliverance movement (well, aside from the actual Bible, of course) is *Pigs in the Parlor: A Practical Guide to Deliverance*, written by Frank and Ida Mae Hammond and published in 1973. One of the more curious aspects of deliverance ministries to an outsider is the pantheon of oddly-named spirits. Neopagan policeman Kerr Cuhulain sums it up best when commenting on a list of demons posted on the website [Demonbuster](#) Click on document *Pigs in the Parlor - A Practical Guide to Deliverance by Frank Hammond PDF.pdf* to start downloading. 2shared - Online file upload - unlimited free web space. File type: File File size: 10,133 KB Uploaded: 2016-05-09. Following *Pigs in the Parlor*, Hammond became aware of ritualistic behaviors in the deliverance community. This book was written as a counter to unscriptural practices in this important ministry, some from the occult, and others from the flesh. Frank ministered often on addressing the wound of rejection. Through this wound, the enemy intends to build his kingdom on earth. I am not comfortable with the underlying theology. But the practical steps and experience Hammond shares are invaluable. The writing style is accessible to the average reader, and the key points are repeated for those of us who tend to miss them. I admit that I'm still skeptical of Hammond's description of Satan's army, but that doesn't really matter. The steps in his book work. Demon manifestations Binding and loosing Practical advice for the deliverance minister Answers to commonly asked questions, and more. The Hammonds also present a categorized list of 53 Demonic Groupings, including various behavior patterns and addictions. And they include testimonies of deliverance throughout the book including Pride, Witchcraft, Nervousness, Stubbornness, Defiance, Mental Illness and more. With over 1.5 million copies in print worldwide, and translated into more than a dozen languages, *Pigs in the Parlor* remains the authoritative book on the subject of deliverance."
