Seneca once said, "While we teach, we learn." This book is dedicated to the students of Strategic Sorcery. Without you, this book would not have been possible. Contents. Witchcraft (also called witchery or spellcraft) broadly means the practice of, and belief in, magical skills and abilities that are able to be exercised by individuals and certain social groups. Witchcraft is a complex concept that varies culturally and societally; therefore, it is difficult to define with precision and cross-cultural assumptions about the meaning or significance of the term should be applied with caution. Witchcraft often occupies a religious, divinatory or medicinal role, and is often present within societies and groups whose cultural framework includes a magical world view. The Elements of Spellcrafting - 21 Keys to Successful Sorcery. I'll check it out, thank you. I have a pretty sweet library I'm always adding to.
