Records of the Salem Witch-Hunt

General Editor
Bernard Rosenthal,
*State University of New York at
Binghamton*

The first comprehensive record of all legal documents
pertaining to the Salem witch trials

Early Reviews

"Bernard Rosenthal and his international editorial team have produced an extraordinarily useful new edition of the Salem witch-trial records. Notable not only for its accurate transcriptions and revelatory chronological organization but also for its helpful general introductions and detailed annotations of individual documents, this volume will open new realms of inquiry to scholars and interested non-specialists alike. A truly remarkable editing achievement, it signals a great step forward in witchcraft studies."

Mary Beth Norton, author of *In the Devil's Snare: The Salem Witchcraft Crisis of 1692*

"This monumental new work of collaborative historical scholarship presents nearly a thousand legal documents relating to that outbreak, freshly edited with scrupulous care and introduced with a series of helpful essays. In this definitive assemblage of the episode's legal records, human anguish, terror, confusion, and grim certitude constantly break through the legalese."

Paul Boyer, Co-author of *Salem Possessed: The Social Origins of Witchcraft*

Records of the Salem Witch-Hunt

General Editor

Bernard Rosenthal,
*State University of New York at
Binghamton*

This book represents the first comprehensive record of all legal documents pertaining to the Salem witch trials, in chronological order. Numerous newly discovered manuscripts, as well as records published in earlier books that were overlooked in other editions, offer a comprehensive narrative account of the events of 1692-93, with supplementary materials stretching as far as the mid - 18th century. The book may be used as a reference book or read as an unfolding narrative. All legal records are newly transcribed, and errors in previous editions have been corrected. Included in this edition is a historical introduction, a legal introduction, and a linguistic introduction. Manuscripts are accompanied by notes that, in many cases, identify the person who wrote the record. This has never been attempted, and much is revealed by seeing who wrote what, when.

CONTENTS

1. List of facsimile plates; 2. General introduction Bernard Rosenthal; 3. Legal procedures used during the Salem witch trials and a brief history of the published version of the records Richard Trask; 4.
