

The Rodwell Files: Secrets of a Bridge Champion Master Point Press, 2011

9781897106679 2011 Eric Rodwell, Mark Horton 399 pages

My favorite types of Bridge books are those on card play technique. Not weird stuff that never happens, but common stuff that expert will make. Eric Rodwell, the professorial half of the famous pair "Meckwell" that has dominated bridge for decades, has written a work for an advanced audience, which according to the blurb "is guaranteed to change the way you play bridge." Nearly 400 pages, chockful of examples from high-level practice where the names of the innocent are not withheld, illustrate the points of technique. Rodwell's unique style of instruction, his extremely high level of analysis, make this unique book a standout in bridge literature, and one that is sure to be talked about for years to come.
