

# Core Topics in General & Emergency Surgery E-Book: Companion to Specialist Surgical Practice // Elsevier Health Sciences, 2013 // 2013 // 380 pages // Simon Paterson-Brown // 9780702049729

The Companion to Specialist Surgical Practice series provides a current and concise summary of the key topics within each major surgical sub-specialty. Each volume highlights evidence-based practice both in the text and within the extensive list of references at the end of every chapter. Purchase of a print book also includes a downloadable version of the eBook. An expanded authorship team across the series includes additional European and World experts with an increased emphasis on global practice. The contents of the series have been extensively revised in line with recently published evidence.
